

Golden Valley Safer Neighbourhood Team (SNT) Briefing

30th December 2013 - 12th January 2014

Crime Trends

It's been a fairly quiet start to 2014 in The Valley on the crime front which is why it's been a while since the last briefing- lets hope it stays that way!

Llanveynoe

A Skoda Felicia that was parked in a very rural location between 5pm on New Years Eve and 10am on Thursday 2nd January was broken into but nothing appears to have been taken. The drivers door had been forced open. There were two other cars also parked at the same location but no attempt was made to enter these.

Information from The Dogs Trust

From April 2016 all dogs will have to be micro-chipped by law.

With this in mind, the dogs trust are offering free microchipping over the next year; they have roaming teams that will attend any events or will set up an event for the

purpose of chipping dogs. They will publicise any events to get the maximum turnout. If you are organising an event locally and would be happy for the Dogs Trust to attend please let us know and we'll pass on your details to them.
