

West Mercia Police Cadets

West Mercia Police Cadets is a force wide volunteer scheme operating in Herefordshire, Shropshire, Telford & Wrekin and Worcestershire. The aim of the cadets is to support West Mercia's strategy of engagement with young people.

The scheme is aimed at 16-17 year olds who wish to engage in a programme that offers them an opportunity to gain a practical understanding of policing, develop their spirit of adventure and good citizenship, while supporting their local policing priorities through volunteering, working with partner agencies and positive participation in their communities.

As a cadet, you will undertake a variety of activities, including self-defence training, marching, fitness, team working, role playing and taking part in team building

weekends and Outward Bound events. Cadets will also gain an insight into police life, through talks by guest speakers from different departments and agencies and by taking part in local community policing events.

Cadets are a family where discipline, friendship and team work are all important. By being a police cadet, you have the satisfaction of knowing that as a young person you are making a difference to your community and developing yourself for any future career.
