Roads were "going to get a boost". The roads will not all be done by Balfour Beatty. Efficiencies were to be looked at and there were lots of things

to be sorted out. Announcements would be made the next week. The Shire Hall needed to be repaired. The Ward Cllr had looked at the new settlement between Cobhall and Thruxton. He advised that something had to be defined as "harmful" for action to be taken. There was a comment made that it "could be a precursor for something more permanent."

There had been a further accident near Locks Garage between a push bike and a vehicle. Traffic calming was believed to be needed. Police were doing speed-watch but their speed audit had indicated that speeding was not a “sufficient issue.”

13. Broadband – update

Cllr Cramp updated the meeting regarding the broadband position. Church Road were no longer eligible for the grants and that a company, “Airband”, were considering putting in the supply.
