

4 December 2015 residents in and around Allensmore parish on an existing mailing list were invited to request their inclusion in the Broadband Community Fibre scheme by completing an online form
 By 16th January 2016, 72 had done so, nearly all of whom are residents in the parish
 A leaflet was then delivered to those households in the parish on the Hereford exchange who had not yet responded.
 By 31st January a total of 91 households had responded including 4 households outside the parish

91 Households wish to be included in the project
 4 Of these households are outside the parish

212 Households on electoral register (inc Hereford and Wormbridge exchanges)
 134 Households on electoral register for parish on Hereford exchange only
 65% Proportion of households in the parish on the Hereford exchange who wish to be included
